

## This is how it works!

Dilute the Glowi cleaning products in half a bucket of water. You only need to spray 4-8 times!

Are you using the Poetsbureau method with small buckets, a measuring beaker and less water? Then 4 sprays is more than enough!

### TIP:

Use lukewarm water for the best result.

floor cleaner

### TIP:

Spray directly onto stubborn limescale or soapy residue. Leave to soak for a few minutes, then rinse and dry.

bathroom cleaner

### TIP:

Trouble with stubborn stains? Spray directly onto the surface then rinse with water, dry and you're done!

multi-purpose cleaner

The **Glowi floor cleaner** does not foam or scratch. And it gives each floor a smear-free result. Whether you have ceramic tiles, stone, parquet, vinyl or laminate flooring. The floor cleaner is super-concentrated and can tackle even the worst dirt.

The **Glowi bathroom cleaner** can be used for all your bathroom fixtures, including the bath, shower, sink, taps and the toilet. It gets rid of dirt, soap residue and limescale in seconds. Limescale and

odours don't stand a chance. And you get a brilliant lustrous sheen! Effective? Absolutely!

Note: this product is acidic and cannot be used on natural stone surfaces.

The **Glowi multi-purpose cleaner** can be used throughout your interior. Versatile and safe on any surface! Cupboards, doors, window sills... even your natural stone kitchen worktop will come up gleaming! Need to degrease a surface? That's no problem for this Glowi product.
