

CAREFUL IRONING

SAFETY INSTRUCTION CARD NOVEMBER

BEFORE YOU START

- ✓ Set up the ironing board so that it is about **25 cm from your elbow**.

- ✓ Pick up the iron with **the handles** and place it on a **stable surface**.
- ✓ Put the **laundry baskets on chairs**. Both ironed and not ironed. **This way you don't have to stoop all the time**. This is better for your back.

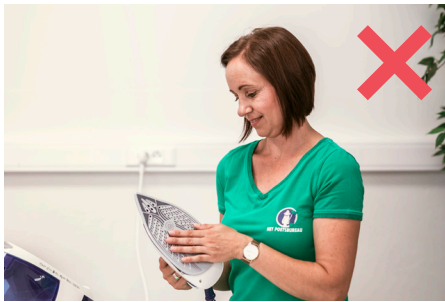

WATCH OUT

- ⚠ **Always stay close** when the iron is on or still warm. **Don't get distracted**.

- ⚠ **Never touch the hot bottom of the iron**. Also keep it far away from the cord.

- ⚠ **Never steam in the direction of people or animals**.

- ⚠ **Do not move the steam tank while it is still warm**. Refill the water through the opening provided for this purpose

- ⚠ Set the **temperature according to the type of fabric**.

- ⚠ Place the **cord nicely on the side**. Both during and after ironing. **So no one trips over it**. Not even you!

CLEANING OF MALFUNCTION

- ⚠ Cleaning your iron? **Let it cool down for at least 2 hours**. **Never immerse it in water or any other liquid**.

- ⚠ Does the iron indicate a **malfunction**? Is the appliance or **cord damaged**? If so, unplug it as soon as possible.

FINISHED

- ✓ Unplug the power cord. **Do not pull the cord itself**.
